Cooksey Road – Precinct #4 (Easingwood)

Citizen Jan Pennington called on 1/7/10 in reference to a road sign that was installed. The sign installed reads PR401. To her knowledge, this has always been “Cooksey Road” and she wanted to know definitely what her emergency address was supposed to be.

In researching this address and road, it was discovered that all the residents on this road are addressed off of S US Hwy 277. Because there are numerous residents on this road, it needs to be named as a private road.

I have researched the court minutes and the only reference to the official name is dated 1/9/01. Private road Cooksey Rd to stay the same.

Cooksey Rd was brought up in later court minutes, but no action was ever taken to rename. Anne Bramble has also been researching this and can find nothing on it.

There is a small road that comes off of “Cooksey Rd” that has two residents and needs to be named also as a private road (Maybe make this one Private Road 401?).

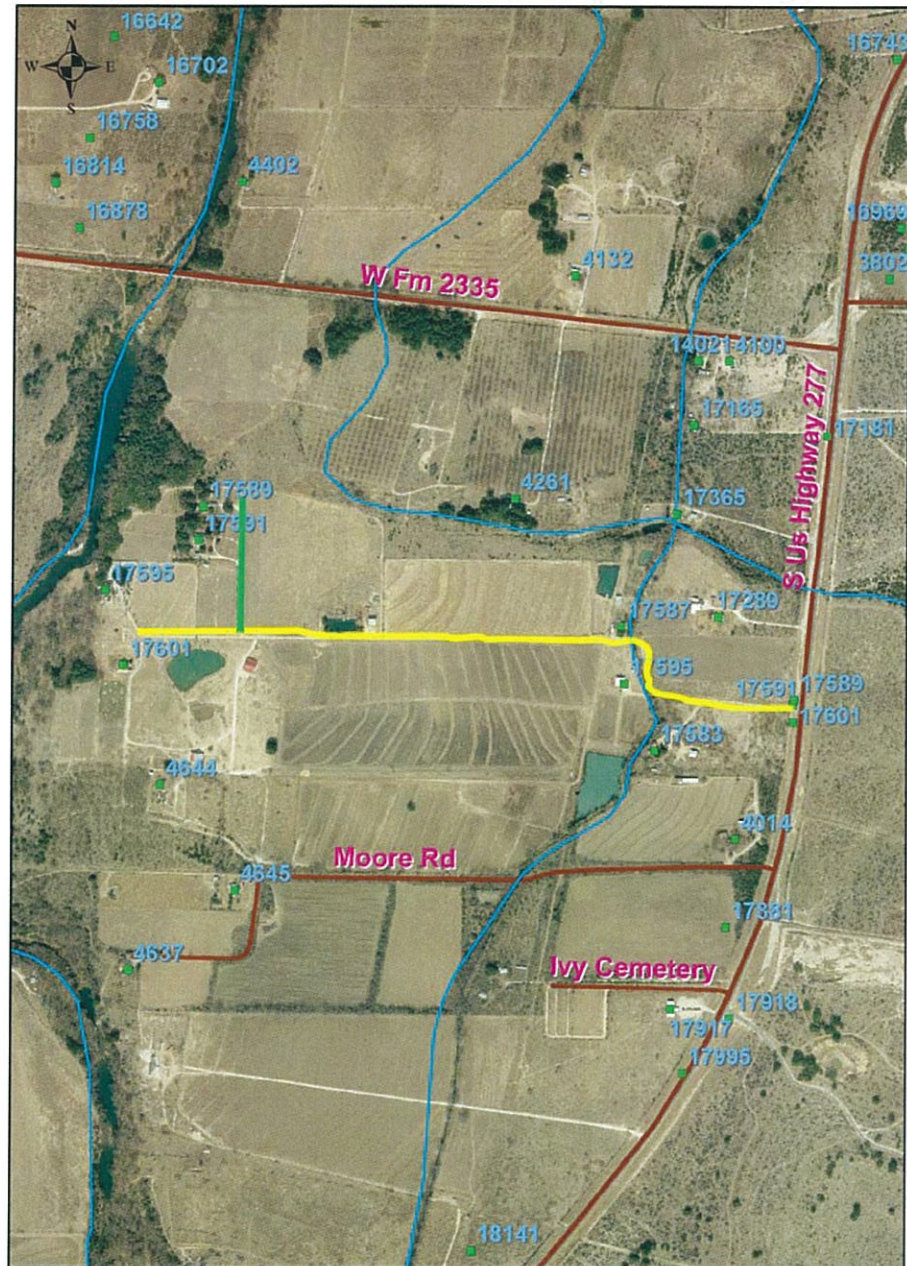

I need approval to add Cooksey Road to MSAG and 9-1-1 map and readdress residents. New road is noted in yellow.

I need approval to add a second private road (yet to be named) and add to MSAG, add to 9-1-1 map and readdress residents. New road is noted in green.

I need to call Mrs. Pennington and notify of decision.
